Name of Adult Parents are encouraged to also stay for the program – if staying we need a head count for lunch	

Lunch: Will have free Pizza available. Drinks will include water and coffee.

Riding a snowmobile or wheeled vehicle can be fun and exciting for the whole family.

Take a class, join a club and ride responsibly.

The New Hampshire Fish and Game Department strongly recommends that all riders participate in a Safety Education Class. State law requires that all operators 12 years of age and over must possess either a valid Motor Vehicle Driver's License or must have successfully completed an approved OHRV or Snowmobile Safety Education Class when operating off their own property. Classes are free and offered throughout the state. For class schedules or more information on these requirements, contact Fish and Game at 603-271-3129 or visit ride.nh.gov.

OHRV education classes are offered online, as well as in the classroom. The online course costs \$29.50. Traditional classroom courses are free. Register for online classes and find a schedule of traditional classes, at ride.nh.gov.
